SUNBRELLA® KNIT LOOP: TEXTURE AND DIMENSION FOR IRRESISTIBLE COMFORT

This new **knit fabric for upholstery** has similar qualities to a quilted fabric and provides comfort and support thanks to its three-dimensional texture.

The stretchy, elastic fabric fits seamlessly around the edges and curves of furniture, seats, and cushions for a chic, sophisticated finish.

EXCLUSIVE BENEFITS :

Stretch and elasticity

Exceptional multi-directional stretch and elasticity that prevents the fabric from losing its shape or puddling and ensure it sits perfectly over the edges and curves of furniture, seats and cushions.

When you spot a fresh stain on the fabric:

- Dab (don't rub) spills with a clean, dry cloth.
- For oil-based stains, apply an absorbent product such as corn starch and remove using a ruler.
- Spray with a mild cleaning solution of soap and water.
- Rinse the fabric thoroughly to remove all soap residue.
- Air dry.

If the stain has still not disappeared:
